

Stevens Creek 50K

Follow **YELLOW** ribbons from start heading Southeast to Mile 11 Aid/Turnaround
 Follow **PINK** ribbons from there heading Northwest through the Mile 20 Aid all the way to Mile 25 Aid/Turnaround
 Follow **YELLOW** ribbons from there Southeast back to the finish

Note that three sections (two out-and-backs on both ends, and one section in the middle) are run in both directions and will therefore have both **YELLOW** and **PINK** ribbons.

Note also that the numbers on the map above are approximate and do not represent anything real, i.e., there are no mile markers on the course. This is not a marathon!
